

Hi friends and family,

I hope that everyone is doing well.

Some of the children here in Honduras do not have opportunities to celebrate birthdays because their moms do not have extra spending money. I am thankful that we were able to help “Gloria” celebrate her 8th birthday with some cupcakes and soda. We were also able to help her receive a new backpack for school thanks to a donation from former team member.

At my church here in Honduras I have been able to teach the littler children about the armor of God. We sang the song, “I will never march in the infantry” during the lesson.

One of the boys, Anthony, continued to sing the phrase, “Si Señor” Yes, Lord, the rest of the class. So blessed to see the children learn about God.

At our Vacation Bible School a couple of months ago we had several children receive Christ as their Savior. We had the privilege this week of baptizing three of the boys.

Thank you so much for being a part of what God is doing here in Honduras with the children and their families.

God bless,

Joy Ruffner
